The cold winds of winter are rising in Westeros...war is coming...and five kings continue their savage quest for control of the all-powerful Iron Throne. HBO presents Season Two of this epic drama series based on the bestselling book series by George R.R. Martin. But the Lannister hold on the Throne is under assault

on many fronts: Robb Stark is seeking autonomy in the North and has taken Cersei's brother Jaime prisoner; Daenerys Targaryen is looking to restore her power through three newborn dragons; and Stannis Baratheon and his brother Renly are both on the warpath to claim the Kingship they believe is rightfully theirs.
